

PINEWOOD DERBY SCOUT CONTRACT

The purpose of the Pinewood Derby is to provide a project for an adult and a scout where they can work together to create something that both can enjoy. Except where cutting or drilling tools are required, Pack 454 requires that the scout complete most of the car himself.

Please have your scout read and sign this form. It must be turned in with the car when it is registered.

I helped in creating the design for the car. Yes_____
